Facility Use Policy

The buildings of the church are provided and maintained to facilitate ministry in the name of Jesus Christ. The following guidelines are in place to ensure that this function and purpose of the facilities are maintained.

- The buildings are available to all church-related groups (Presbyterian Women, Youth, Sunday School, etc.). Schedules are to be coordinated through the church office.
- The buildings are available to any member of the church for non-profit use contingent upon the approval of the Session. All requests should be made through the church office and require a Facility Use Request Form.
- Requests for the use of the facility by outside groups (AA, Scouts, etc.) for non-profit use are to be in keeping with the role and function of the church. All requests must be made through the church office and require a Facility Use Request Form. There must be one designated person in charge.
- Approval may be revoked or accommodations may be modified at any time by the church if the facilities are needed for a church function; e.g. funeral and special events. (In the rare case an event needs to be changed, the church will make every reasonable effort to reschedule or rearrange plans to accommodate all event needs.)
- Facility use approval will be automatically renewed annually with each outside group but may be revoked at the discretion of the Session. A new request form may be required for church records. Also, if there are changes to the original request at any time, an updated request form must be submitted for approval.
- All normal, repeat use, or non-controversial requests will be brought to the church staff for approval; approved requests will be reported to the Clerk of Session for informational purposes. If the church staff feels there is reason for the Session to decide upon the request, the request will be forwarded to the Clerk and brought to Session at its next meeting.
- The buildings are available to the Presbytery of Western North Carolina as needed. Schedules are coordinated through the church office.
- There will be no fee, rent, or charges for facility use except in the case of non-member wedding fees, which are stated in the church Wedding Policy.
- All groups and individuals using the facilities are responsible for opening and closing the buildings (as needed), lights, and clean up. The request form must include sufficient time for set up and clean up. Arrangements are to be made with the church office for all facility use matters of concern.
- It is advised that facility users secure the building by locking all doors while they are meeting.
- A checklist is attached. Use of this checklist by groups and individuals requesting the facility will ensure a successful event.

KITCHEN USE POLICY FOR FIRST PRESBYTERIAN CHURCH GROUPS

All individuals and groups using the kitchen are subject to these guidelines:
